

Digital Platform: aces.cejfrance.org

Exchange with other
students on topics

Vote on common
Acces topics and
activities

Get acces to the project
intellectual outputs and
educational ressources

Present your group
activities to other
ACCES groups

General users rules:

The member side of the Acces platform is only accessible to students and teachers of the ACCES project. Every profile is manually reviewed by the PEJ France, only approved profiles have access to the member side and the fonctionnalités presented here.

1. Be respectful : This means **no mean, rude, discriminatory or harassing comments**. Treat others the way you want to be treated. That also means no offensive names and profile pictures: **Keep your names and profile picture appropriate**.

2. **No inappropriate language or topics** : Use of profanity should be kept to a reasonable minimum. Any derogatory language towards any user is prohibited. No adult/other NSFW material

3. The idea behind the platform is to provide **a safe place** for us to share opinions, experiences and to debate on civic topics and civic education in the framework of the ACCES project. Use the platform as such.

Your presence in this platform implies accepting these rules, including all further changes.

If you do not comply with this rules you will be banned from the platform, from the project, and you will be subject to the sanctions provided for by the regulations of your school and your country.

Acces and Coopération for Civic Education in Schools

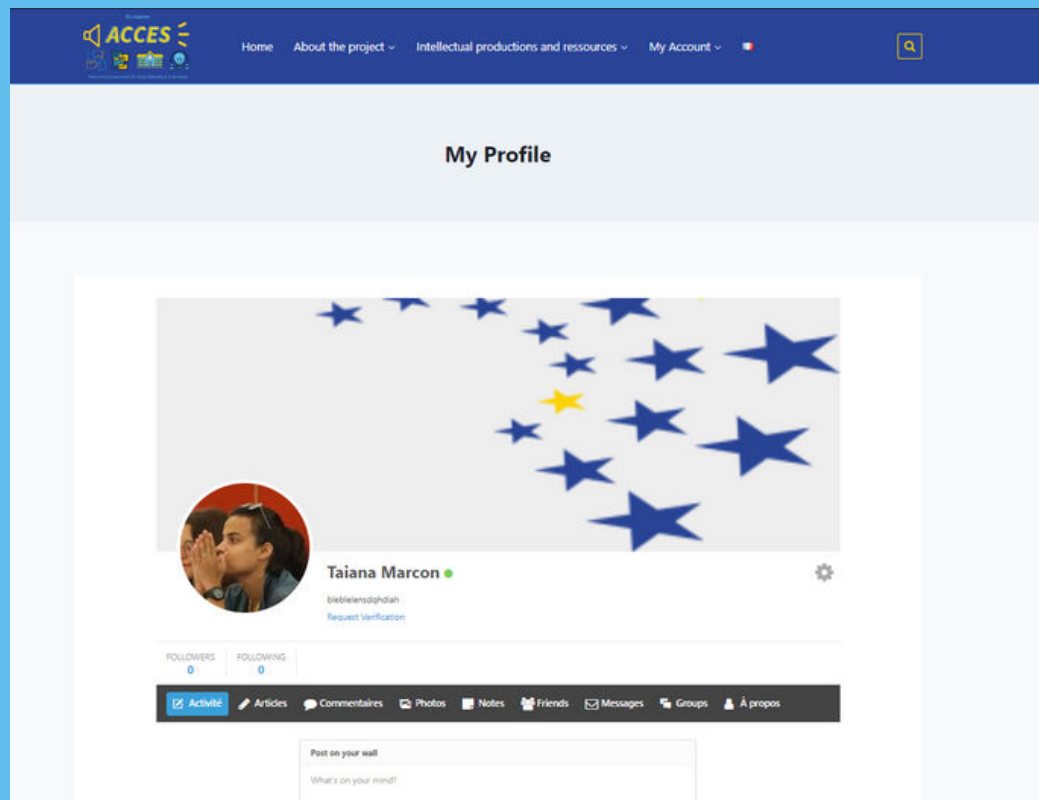

Create you account:

Go to acces.pejfrance.org and click on Login then on Register

Set up your account using the email adress you gave your teacher for the school year

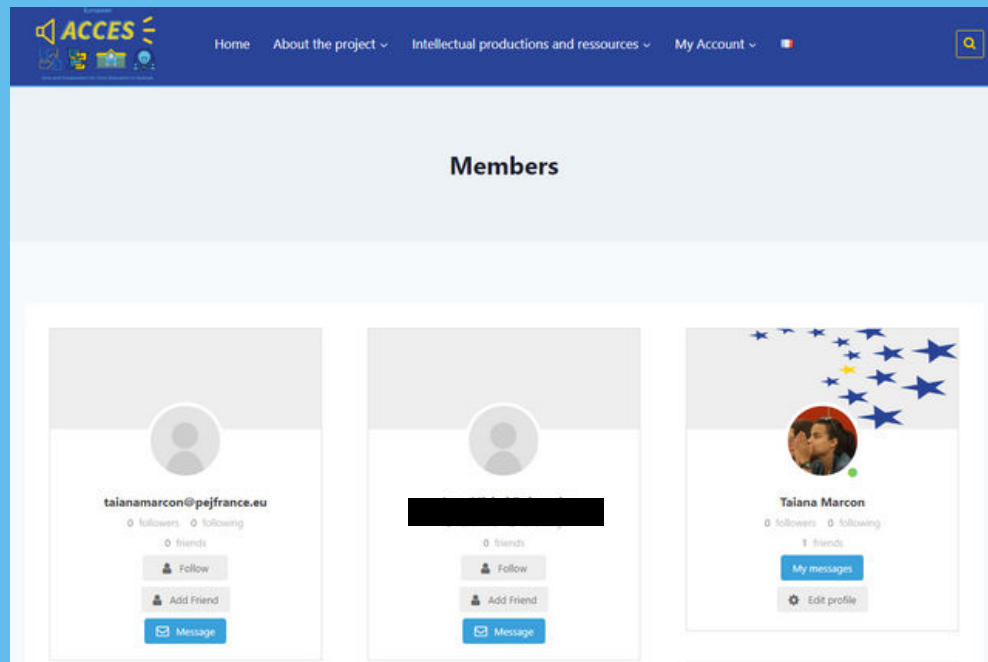

Your details will be manually reviewed to make sure you are part of the project

Once you are approved you can edit and personalised your profil

Connect with others:

Befriend other students of the project : Under my account, choose members to see who the other students are, and add who you want. They can decline or accept your request

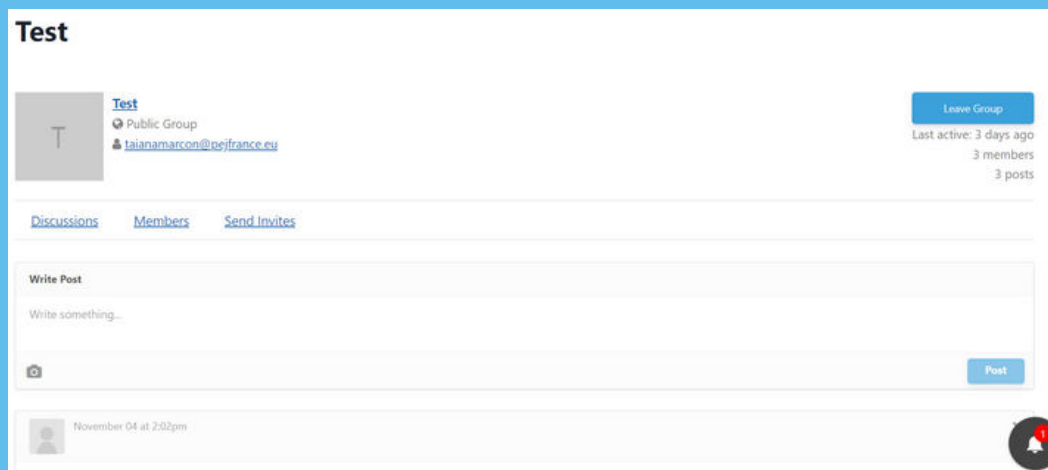

Once you befriend someone, you can discuss directly with them through the chat or invite them in groups to discuss topics

Be careful about what you send and the language you use, this platform is a safe space within a educational project. Please report any inappropriate behaviour.

Connect with others:

Create or join a group to discuss a specific topic: under account, select "choose my groups" to join a group or create a new group to discuss a particular new topic.

You can invite members to join the group, write an opinion, comment on others, like posts, upload a file to illustrate an opinion or add new informations to the debat...

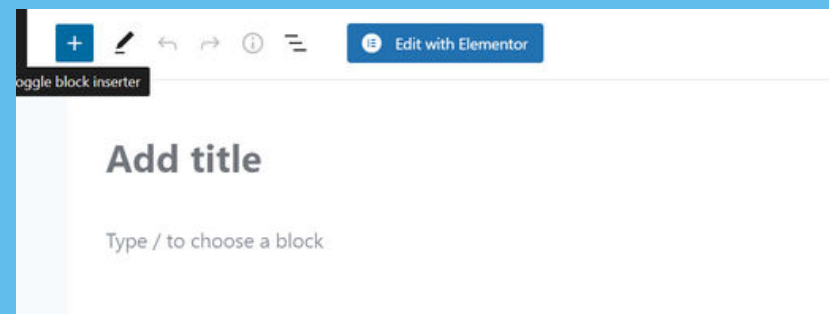

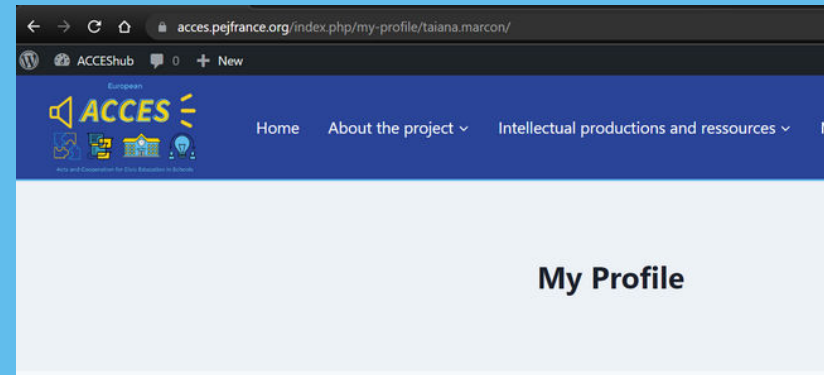

Be careful to not duplicate topics. If there is any they will be deleted. The topics shall not be discriminatory. Please report any inappropriate comment, post or behaviour.

Connect with others:

Post about the activities you did with your ACCES group : Click on New in this overheard header (top right) then on post

You can now edit the post: write text, add files to share with the other members your ACCES activities

All the post are to be found under "my account>ACCES groups news" and can be commented on by logged in members.

Every post will be reviewed before being published
